Commencement Speaker

Senator Dale Bumpers

The Honorable Dale Bumpers is a nationally-recognized leader in the United States Senate who has taken a special interest in energy conservation, development of alternative sources of energy, control of nuclear arms, preventive health programs and the protection of the nation's environment. He is a member of the Senate's Energy and Natural Resources Committee, the Appropriations Committee and the Small Business Committee.

Senator Bumpers is an articulate and eloquent speaker who attracts invitations to address diversified audiences throughout the country. He served two terms as governor of Arkansas before his election to the Senate in 1975, and he now is serving in his second term in office. He was selected as one of the ten best members of the Senate in a recent poll of Washington correspondents.

Senator Bumpers holds Bachelor of Laws and Juris Doctor degrees from Northwestern University and he is a former student of the University of Arkansas.

The University Mace and Batons

The Mace and Batons are symbols of the authority and history of the University and are made from newel posts from the original main staircase of Old Main, erected in 1875, the oldest University building now standing. The Batons are carried by members of the faculty who have served as chairs of the University Senate or the Campus Faculty. The Mace is carried by the Chief Marshal, who is the current chair of the Campus Faculty.

Marshal's Gowns

The gowns worn by the Marshals are of the traditional University color, cardinal red.

Honor Stoles

White or cardinal stoles denote students who are candidates for University honors. White represents High Honors (summa cum laude) and cardinal represents Honors (cum laude).

Academic Regalia

The styles of gowns differentiate degree level. Trim of doctoral gowns indicates nature of degree (black or dark blue—Ph.D.; light blue—Ed.D.). Certain members of the faculty wear distinctive gowns and hoods authorized by their doctoral institution. The lining of the hoods denotes the color(s) of the institution awarding the degree. The official colors of the University of Arkansas are cardinal and white.

The color of the velvet band around the hood designates the academic major in which the wearer has taken his or her degree. Some examples are listed below:

Agriculture	<i>Maize</i>	Medicine	<i>Green</i>
Arts and Letters	<i>White</i>	Music	<i>Pink</i>
Business and Bus. Admin.	<i>Drab</i>	Nursing	<i>Apricot</i>
Dentistry	<i>Lilac</i>	Pharmacy	<i>Solid Green</i>
Economics	<i>Copper</i>	Philosophy	<i>Dark Blue</i>
Education	<i>Light Blue</i>	Physical Education	<i>Sage Green</i>
Engineering	<i>Orange</i>	Public Administration	<i>Peacock Blue</i>
Fine Arts	<i>Brown</i>	Public Health	<i>Salmon Pink</i>
Forestry	<i>Russett</i>	Science	<i>Golden Yellow</i>
Home Economics	<i>Maroon</i>	Social Science	<i>Cream</i>
Humanities	<i>Crimson</i>	Social Work	<i>Citron</i>
Journalism	<i>Crimson</i>	Speech	<i>Silver Gray</i>
Law	<i>Purple</i>	Theology	<i>Scarlet</i>
Library Science	<i>Lemon Yellow</i>	Veterinary Science	<i>Gray</i>

The University Song

In 1909 a prize of fifty dollars was offered for the best poem relating to the University of Arkansas which should be capable of being set to music and used as a college song. Out of many entries, that of Mr. Brodie Payne, '06, of Hot Springs won the prize. The words were set to music by Professor H. D. Tovey, Director of the Conservatory of Music and Art at the University.

Alma Mater

Pure as the dawn on the brow of thy beauty
Watches thy soul from the mountains of God
Over the Fates of thy children departed
Far from the land where their footsteps have trod.
Beacon of Hope in the ways dreary lighted;
Pride of our hearts that are loyal and true;
From those who adore unto one who adores us—
Mother of Mothers, we sing unto you.

We, with our faces turned high to the Eastward
Proud of our place in the vanguard of Truth,
Will sing unto thee a new song of thanksgiving—
Honor to God and the Springtime of Youth.
Shout for the victor or tear for the vanquished;
Sunshine or tempest thy heart is e'er true;
Pride of the hills and the white-laden Lowlands—
Mother of Mothers, we kneel unto you.

Ever the Legions of Sin will assail us,
Even the Battle in Cities afar;
Still in the depths will thy Spirit eternal
Beckon us on like a piloting Star.
Down the dim years do thy dead children call thee,
Wafted to sleep while the Springtime was new;
We, of the Present, thy Hope of the Future—
Mother of Mothers, we pray unto you.

Honorary Degree Commendation

David W. Mullins

Dr. David W. Mullins served as president of the University of Arkansas for 14 years during the period of the greatest expansion in the history of the institution. Only one other president, Dr. John C. Futrall, had a longer tenure among the 16 chief executives who have served the University.

The expansion of the Fayetteville campus of the University during the administration of President Mullins, in enrollment, size of faculty, and the physical plant, surpassed the combined growth that occurred in all of the 85-year history of the institution which preceded his entry into the presidency. Both enrollment and the size of the physical plant more than doubled from the time he became president in 1960 until his retirement in 1974. His tenure also was marked by the upgrading of the University's teaching and research prestige and by a noticeable improvement in the financial health of the institution. His reputation spread beyond the borders of the state and he served in such nationally prominent positions of leadership as president and chairman of the executive committee of the National Association of State Universities and Land-Grant Colleges, as a member of the Board of Directors of the American Council on Education, as president of the Southern Universities Conference and as vice-chairman of the Southern Regional Education Board.

Dr. Mullins presided at the University during the historically significant observance of its Centennial. He also was the president whose tenure saw the formation of the University of Arkansas multi-campus system, providing the leadership for the mergers of three other campuses into the University.

Following his retirement as president, Dr. Mullins served the University for three years as professor of higher education in the College of Education.

Dr. Mullins was born in Sharp County, Arkansas, and was graduated with honors from the University of Arkansas in 1931. He obtained a Master of Arts degree from the University of Colorado and his doctorate from Columbia University.

Honorary Degree Commendation

R. E. L. Wilson, III

R. E. L. Wilson, III, is a legendary Arkansas agricultural and business executive who also has been one of the state's most effective lay leaders in support of education. He has taken a special interest in providing educational opportunities for young people and has been one of the largest individual contributors in the provision of scholarships for students at the University of Arkansas. An endowment he has donated for this purpose provides \$500 grants each year for first-year students on each campus of the University of Arkansas System and a \$1,000 annual award to a doctoral candidate in agriculture on the Fayetteville campus.

Mr. Wilson is a former member and vice chairman of the Board of Trustees of the University of Arkansas.

Mr. Wilson also has been an effective leader and strong supporter of elementary and secondary schools in Northeast Arkansas. One entire school district depends upon his beneficence for a significant proportion of its annual operating expenses. He serves on the Boards of Trustees for two educational foundations which concentrate on providing assistance to needy and deserving students.

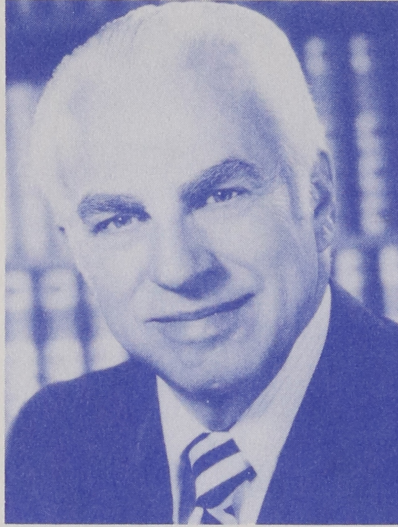

Mr. Wilson presides over some of the most extensive and diversified business and agricultural enterprises in the entire Southern region and he has been publicized by the authoritative *Fortune* magazine for the excellence of his business leadership and the generosity of his educational and civic donations. He serves on the boards of a number of large utility and agricultural companies.

Mr. Wilson is a graduate of Yale University and holds an honorary Doctor of Laws degree from Arkansas State University.

His interests in cultural and recreational activities are as diversified as those which he maintains in his business and educational enterprises. For many years he maintained his reputation as this state's most notable achiever in a highly specialized athletic endeavor—the sport of polo. His polo field in Eastern Arkansas is one of the few in existence anywhere in the country.

Mr. Wilson is a decorated veteran of World War II and served with the Third Army in Europe.

Distinguished Alumnus Citation

William H. Banks

One of the distinguished business executives from land-locked Arkansas is a man who heads one of the largest ocean-based commercial operations in the world. He is William H. Banks, president of Chevron Shipping Company of San Francisco whose oil tanker fleet is the world's third largest, including nine American ships and 43 under foreign flags. Chevron is one of the three largest operating entities of Standard Oil of California which, in turn, is the eighth largest corporation in the world.

Mr. Banks has taken a dynamic leadership role in seeking solutions to two of the most crucial problems facing the world in this century—the development of adequate energy resources and the question of how best to achieve this solution without damage to the world's physical environment. He has taken a particular interest in prevention of pollution of the seas and coastlines caused by leakage of oil from tankers. He has served on the Board of the International Tankers Owners Pollution Federation.

A modest, hard-working and warm-hearted individual, Mr. Banks is a graduate of Fayetteville High School and of the University of Arkansas where he received a Bachelor of Science in Civil Engineering degree in 1941. Following service as a lieutenant colonel in the Army Air Corps in World War II he went to work for Standard Oil and was given a series of increasingly important positions, primarily in the company's pipeline operations. In 1966 he was appointed vice president and general manager of operations for the Chevron Company and was promoted to president in 1978. His stature in the maritime industry resulted in his election in 1981 as chairman of the board of the American Institute of Merchant Shipping. He also has held positions of leadership in such organizations as the American Petroleum Institute, the Oil Companies Institute for Marine Pollution Compensation, Ltd., and the Oil Companies International Marine Forum.

Distinguished Alumnus Citation

John E. King

Dr. John E. King is a man for all academic seasons and an educator who performs with distinction in whatever challenge is given to him. But his talent and abilities tell only part of his story. John King has that happy blend of a venturesome drive and humane spirit to which his associates can respond only with their undying respect and affection.

Five prestigious institutions of higher education are the beneficiaries of his exceptional contributions to their academic and administrative progress. . . Southern Illinois University, the University of Wyoming, Emporia State University, Cornell University and the University of Minnesota. He has served as president of two of them—the University of Wyoming and Emporia State—and as provost at the University of Minnesota, one of the largest land-grant universities in the nation. King currently is serving as professor and chairman of the Department of Educational Administration and Foundations at Southern Illinois University.

Dr. King has served as president of the American Association of Colleges for Teacher Education and as a representative of the American Council on Education on the United States National Commission for the United Nations Educational, Scientific, and Cultural Organization (UNESCO). He was appointed by President John F. Kennedy as a member of the National Citizens Advisory Committee on Vocational Rehabilitation and by President Lyndon Johnson to the National Committee on Employment of the Handicapped.

He served as a delegate to the American-Canadian Conference on the Role of the Universities and Quest for Peace. The State Department assigned him to assist three public and two private universities in South Vietnam in developing operating statutes. He also served as a consultant in Brazil for a United Nations development program.

The Humanities Building on the campus of Emporia State University is named in Dr. King's honor, and North Texas State University selected him as one of the first three recipients of its Distinguished Alumnus Citation when this citation was initiated at that institution. He earned a Ph.D. from Cornell University in 1941.

John King and Arkansas have enjoyed a long and mutually beneficial relationship. He received his Master of Science degree in Educational Administration from the University of Arkansas and an honorary Doctor of Humane Letters degree from College of the Ozarks at Clarksville, where he has served as a member of that college's Board of Trustees. Just a year ago he delivered a memorable address at the inauguration of the chancellor of the University of Arkansas, Fayetteville.
